

Synod Assembly Offering

The April Outreach of the Month has been designated to the Synod Assembly Offering. This offering will go with our voting members to the Synod Assembly in Mt. Pleasant this May. At this time, the recipient of this offering has not yet been named. Typically, the synod assembly offering has gone to ELCA World Hunger, the Synod's disaster relief fund, or a similar outreach ministry. I suspect that this year it may go in part to the Synod's newly created Seminary Debt Reduction Fund to help pay seminary debt for our new clergy. As soon as information is available, we will make it known. *Pastor Gary*
