

Ash Wednesday begins our Lenten journey with Christ to the cross. Why ashes? The cross of ashes reminds us of the Baptismal cross on our forehead. Ashes suggest cleansing and renewal. Ashes remind us of the shortness of human life. Most importantly, ashes are a symbol of our need to repent, confess our sins, and return to God.

We invite you to join us on this first step toward Easter. Worship will be held at 7:00 pm in the sanctuary and will include the Imposition of Ashes. It is a special service of sharing our faith stories and silence. Those who desire may come forward and receive ashes in the sign of the cross on their forehead.

There will be ongoing midweek Lenten worship opportunities through Mar. 21 at noon and 7:00 pm

Please join us!
