

**ULC's Annual Lenten Fund Drive: "Change for a Change"
2018 Recipient: Families Against Narcotics**

During the Lenten season, the ULC Social Action Team invites the congregation to contribute to a cause which promotes real and active change somewhere in the world.

This year's designated recipient is [Families Against Narcotics](#) or FAN. In recent years, Phil Pavona, executive vice president and founding member of the FAN Ingham County branch, has delivered some of the most powerful and stirring presentations we have ever heard at our Sunday Forum, detailing the narcotics crisis in our own community and explaining how we can help—not only via contributions and volunteer involvement, but first and foremost by keeping informed.

"Change for a Change" originally involved collecting our "loose change" during Lent. But "Change for a Change" is changing with the times! Contribute in any way: PayPal, check, or cash (designate "change for a change"), or collect your loose change throughout Lent and turn in your "piggy bank" on Easter Sunday.

*Phil will be speaking at our Sunday Forum again on March 18th.

Don't miss it!

You will be forever changed.
