

MARCH OUTREACH OF THE MONTH REBUILDING TOGETHER

Each year on the last Saturday in April, ULC participates in Rebuilding Together Lansing. Rebuilding Together is a national organization which coordinates volunteers to provide home repairs and accessibility modifications to low income persons in the Greater Lansing area. The March 2018 Outreach of the Month will gather funds to help with the Rebuilding Work we will do together on Apr. 28 at a location to be determined. Please consider being involved in this activity. It is a project which helps people right here in Lansing.

You are encouraged to give using a pew envelope marked Outreach of the Month or may designate on your church envelope “Rebuilding Lansing.” Thank you for your support.

Michael Anderson and Jim Lorenz
