

## **REBUILDING TOGETHER**

The May Outreach of the Month offering is being collected to support the 2019 Rebuilding Together project. On Saturday, Apr. 27 ULC members and friends, led by Jim Lorenz and Greg Hagbom, helped a local homeowner with a variety of home repair projects. This homeowner was identified by the Lansing area chapter of Rebuilding Together.

Outreach of the month envelopes are available in the pew racks or donations can be delivered to the ULC office. Checks should be made out to ULC with “Rebuilding Together” on the memo line. Contributions can also be made using PayPal by clicking on the Donation Button at our website [www.ulcel.org](http://www.ulcel.org).
