

August Outreach of the Month Food Packing

At last! After a 2-year break, ULC and the Islamic Center will once again join together to pack 10,000 meals for hungry people. The Food Packing Event will take place at 2:30 pm on Sunday, October 23 at the Islamic Center.

Mark your calendars now and look for more details and an opportunity to sign up as we get closer to the date.

For now, we need to raise at least an additional \$700 to purchase the rice, vitamins, minerals, and dehydrated vegetables that make up the food packets. A donation of \$35 will sponsor a volunteer to pack food for the day. Please consider sponsoring one or more volunteers (or yourself if you plan to pack food).

The MSU Student Food Bank will be the recipient of the one third of the meals that will stay locally.

Thank you for making this impactful event possible!
