

MAKING ELECTRONIC PAYMENTS OR STOCK GIFTS TO ULC

Give directly from a member's bank to ULC. ULC's account is with MSUFCU so any members who have MSUFCU accounts can set up a direct transfer. There is no cost to ULC or the contributing member. Members who bank with another institution should contact that institution. Funds will immediately be available to ULC when the transfer occurs each month. MSUFCU does not recommend the Bill Payment service when transferring between MSUFCU accounts because it is not a direct transfer.

If you would like to set up a recurring transfer from your MSUFCU account to the ULC account, please verify the date you would like the transfer to occur each month, the sub-account you would like the funds to be withdrawn from, and the amount you would like transferred. Please contact our [Financial Administrator](#) to confirm ULC's account number and how ULC's name is listed on the account.

Changes to your MSUFCU automatic transfer can easily be changed via eMessage; through Live Chat, or by phone at [517-333-2424](tel:517-333-2424) or toll free at [800-678-4968](tel:800-678-4968).

Thrivent Simply Giving program: Email our [Financial Administrator](#) to make any changes to your Thrivent Simply Giving program. There is a 20¢ fee per transaction.

Giving stock as part of one's pledge: Please contact our [Financial Administrator](#) for information regarding making a stock gift a part of your pledge. Please note – ULC does not hold stock as the finance team has instructed the broker to sell all stocks within 3 days of receipt so the funds will be available for mission and ministry.
