

October Outreach of the Month October Food Packing Event

We can get food to hungry people with your help. On Sunday, Oct. 24, ULC will join with our neighbors at the Islamic Center and students from the Food and Nutrition Association at MSU to pack over 10,000 dehydrated meals. One-third of the meals stay locally, one-third are sent internationally, and one-third go to a warehouse in Detroit where they are available for domestic emergencies. We need your help in two ways.

First, we need funds to purchase the dehydrated food materials. We are splitting the cost with the Islamic Center. Each community will be contributing \$1,750. The Food Packing event is the October Outreach of the Month. We need your generous support to raise these funds. A donation of \$35 will sponsor a volunteer to pack food for the day. Please consider sponsoring one or more volunteers (or yourself if you plan to pack food). You may donate by sending a check to the church or on-line (PayPal or credit card) using the “donate” button on the ULC website www.ulcel.org. Please indicate “Food Packing” in the memo.

We also need 40-50 volunteers. We will start packing at 2 p.m. on Oct. 24 at the Islamic Center. The event will last about 1½ hours. We will follow the Islamic Center’s COVID protocols which include a temperature check and masking for everyone. Watch for sign-up information in the weekly email.

The Food Packing event is an opportunity to do God’s work with our hands.
