

UNIVERSITY LUTHERAN CHURCH

2023 FOOD DISTRIBUTION(as of 12/12/2022)

A partnership between the Greater Lansing Food Bank, University Lutheran Church, and University United Methodist Church

This distribution is intended for people who have a need for food.

In response to the Covid 19 pandemic, this food distribution is now a mobile drive thru operation. Stay in your vehicle at all times. Volunteers will place food into your vehicle. *Walkers and bicyclists are welcome(Please do not get in the lines with vehicles. Go directly to the food islands to be registered and receive food).* There are no bathrooms available. If you are ill or have been exposed to Covid 19, please stay home and have someone else bring your name and address. In fairness, only 3 families are allowed per vehicle. Please enter via our North driveway(next to the Islamic Center) and proceed to the back of the parking lot or as directed. If you have a valid medical reason that makes a long wait a burden please speak with a volunteer. Long waits are likely. This distribution is run by volunteers and we are actively working to shorten your time spent in line. Each family should register separately.
